From the Parish Exec

Parish Service Sunday 29th June at Ebenezer

Retiring offering at the end of the service: to support the local farming community.

At our Parish Council meeting on the 20th of May, two reps from the Angaston Lions Club spoke about the need of the local farming community and the desire of the Lions Club to offer support by assisting to help to offset fuel and water delivery costs, depending on the need of the farmer.

As a Parish of eight churches around the Barossa community the Parish Council felt this was a worthwhile project to be involved with.

To help support local farmers through the Angaston Lions Club you can;

1. Put your donation on the plate provided at the end of the Parish Service on Sunday the 29th of June.

If it is more convenient for you

2. You can put your donation in an envelope earmarked 'Angaston Lions' and place on the collection plates at churches on Sunday 6th July or 13th July.

Or 3. Put your donation in an envelope earmarked 'Angaston Lions' and hand to Sarah in the Parish Office by Sunday the 13th of July.

We all rely on the farming community in one way or another. Our monetary donation is one way we can show our support and let farmers know that we care and are thankful for what they provide for the community.

Roger Frahn – Vice Chairperson

Janet Grosser - Secretary
Andrew Kleinig - Treasurer

Barossa Ark News

At the next Mission Moments, Pastor Richard will share some further insight on conversations with those who are growing in faith in Jesus or are yet to hear about Jesus.

Richard says there are two simple and profound rules of 'people-fishing':

1. Go to where the 'fish' are; go to the unreached or least-reached people groups.
2. Use the 'bait' that the 'fish' respond to, e.g. what worked for Europeans in the 16th Century may not be relevant to Asians in the 21st Century.

The 'friendship project', initiated in 2005 with Pastor Andy and Glenda Kowald, started with this perspective amongst the Crimean Tartars. Over time, various 'baits' have been fine-tuned to spark curiosity and interest in Jesus our Saviour. The universal acceptance of 'the idea of fate' is an underlying factor which also resonated with this group of Muslim people.

The next Mission Moments on Sunday the 13th of July, will examine several case stories of how these elements were used in Ruth and Richard's recent overseas trip. Come along, bring a friend and hear first-hand how these elements have been used to point people to Jesus.

Movie Night

Holy Trinity Church Hall

Sunday 6th July

(includes popcorn & a drink)

What if your deepest secrets were suddenly exposed? Nine friends discover just how explosive it can be when their past becomes their present.

Reunited at the funeral of hometown hero Chris Hayden, the friends find tensions escalating rapidly as their darkest secrets are revealed. Jeremy, struggling with his calling as a youth pastor, is caught in an awkward love triangle between his new fiancée and his old flame Sherry. As the embers of the past relationship reignite, Jeremy's fiancée Rachel, who is determined to solidify their relationship, demands he affirm his commitment to her.

Meanwhile, Gary questions everyone's beliefs as this close-knit group of friends disputes world views, lifestyles and personal passions. Pastor Wexler encourages them not to give up but to follow the truth that Chris Hayden lived.

"Hidden Secrets" is a story of love, friendship, redemption and ultimately faith that is humorous, touching and always entertaining.

Dear Supporter,

Your positive experience with us is essential and we strive to meet your needs promptly. With that in mind, we are pleased to announce the launch of a new dedicated business customer service.

Finance
with a
mission

In addition to the existing Relationship Team, this service is designed to address matters such as loans, corporate issues, and urgent business concerns.

To support this, we have appointed a dedicated Operations Officer to manage your business enquiries. You can access this service via two options: calling LLL's regular phone numbers, [1800 556 457](tel:1800556457) or [08 8360 7200](tel:0883607200), and selecting the business query line (option 3), or by emailing businessenquiries@lll.org.au, which will bypass the general enquiry lines and connect you directly with our team.

Additionally, you might already be aware that the Reserve Bank of Australia (RBA) has reduced interest rates once again. After thorough consideration, we are happy to announce our lending rates will be lowered by 0.10% in recognition of the important work you do in your community.

Product	Current	Change	New
Secured loans (1 st mortgage)	4.95% p.a.	- 0.10%	4.85% p.a.
Unsecured loans	5.45% p.a.	- 0.10%	5.35% p.a.
Overdraft	6.50% p.a.	- 0.10%	6.40% p.a.

The revised lending rates will take effect on Tuesday, 1 July 2025: You will receive an updated loan repayment schedule once the new rate is effective.

LLL's new 3 month Term Investment Facility has been added to our investment options, providing greater flexibility with terms of 31 days, 3, 6 or 12 months available to meet your missional objectives.

For larger Term Investments, please reach out to our friendly team to discuss a negotiated rate.

Should you wish to discuss your circumstances or require more information, please don't hesitate to contact any member of our Client Relationship team.

We thank God for our valued relationship and encourage you to view and share the inspiring examples of what can be achieved through a missional partnership with LLL highlighted on our website – www.lll.org.au/your-impact
