WORKMANSHIP

Parish

How can I recognise
God's will versus my own desires?

Why do Christians disagree?

Why did Jesus
have to die,
why not just forgive?

Why isn't God
more obvious?

How can a loving
God send
people to hell?

Love & Mission: Making the Most of Faith Conversations

Saturday June 27th at Immanuel LP Church Hall from 9:00am until 12:30pm.

Discover how to share your faith confidently and naturally, turning everyday interactions into meaningful faith conversations.

This encouraging and practical workshop is designed to help you share your faith with greater confidence and ease in everyday life - without pressure or performance. Grounded in Scripture and enriched by insights from church history, you'll discover the power of good-deeds evangelism, gain a fresh understanding of how Australians think about faith, overcome common barriers to faith sharing, learn to think like a missionary in your own community, and develop simple, practical skills for turning everyday conversations into meaningful faith conversations and responding thoughtfully to difficult questions.

Each participant also receives complimentary access to a supplementary 50 minute video course that reinforces the workshop training, along with a range of additional resources to support ongoing reflection and application.
