Container of Hope

Container of Hope is a voluntary organisation that sends 40 foot shipping containers full of donated and recycled goods to assist poor and vulnerable people overseas and in Australia. They strive to seek to bridge the gap between the people that have too much and those that do not have enough.

For more information please visit the website - www.containerofhope.com.au

Roger & Sabina recently took a ute and a large trailer load of goods to the depot in Elizabeth South. Goods included about 30 push bikes, kitchen items, toys, clothing, sporting equipment - a lot of items that could not find a home after garage sales.

We would like to be a collection point for this amazing organisation within our Parish and the Barossa community.

Please contact Sabina and Roger Frahn on 0447 080 022 for more information.
