Let's make this a day to remember, giving thanks and praise to the Lord, for growers and producers of our food and fibre!

Barossa Christian Life Week - Catering Support

It is that time of the year again and Barossa CLW 2024 is fast approaching! This means we are on the hunt yet again for some fabulous volunteers who would consider stepping into the kitchen to support our young people and make camp possible!

Barossa CLW for those of you who don't know about us, is a high school aged Christian camp that runs for 5 days in the July school holidays. It aims to bring young people together from all over the Barossa region from various congregations and denominations, and unite them to learn about God. This year's camp is running from the 8th to 12th of July and is being hosted at Cornerstone College, Mount Barker.

So, what am I really asking? What a great question!

One of the biggest components of running a successful camp, is running a successful kitchen and we need helpers to make that possible. We have roughly 50-70 campers each year, plus a leadership team and extra volunteers that make up our 110ish people to feed.

We are specifically looking for someone willing to **run our kitchen** for the week - Be the head honcho! This means overseeing the kitchen and its activities as well as managing meal times, food prep, meal service and coordinating with our camp directors and leadership team to facilitate a smooth running of the day. Whilst I appreciate that this sounds like a big task, we have put measures in place that all of the food will be purchased for you prior to camp and all of the recipes, quantities, daily schedules and plans will be provided for you. This means we purely need your assistance on camp, no prior prep work required.

However, if the kitchen lead is not your ideal role, we are also seeking busy-bee helpers to be our **kitchenhands** throughout the week. Over the past few years, we have structured this as day teams, having 5-8 people come into the kitchen every day and follow the instructions of the Kitchen Leader to ensure the day's jobs get completed! Jobs involved include prepping food, cooking food, serving food to the young people (the best part), cleaning, packing up and of course, fellowship with our servant hearted people in our community! You may like to assist for just 1 day, or 2 or 3. We would love to have you!

If this sounds like something you would be keen to do or you know of someone who may be perfect for this type of role, please pray about this and get in touch with myself about the potential of having you serve on Barossa CLW for 2024. I really look forward to hearing from you.

God Bless,

Patrick Henry Hughes was a talented musician who always wanted to be a part of something bigger than himself. He dreamed of one day joining the University of Louisville marching band, but there was one problem: Patrick Henry was born without eyes or the ability to walk. Before he was born, his father, Patrick John had his own goals of athletic glory for Patrick Henry. Now, will he be willing to truly sacrifice to help his son achieve his dreams. I Am Potential is the inspiring true story of sacrifice, perseverance and realizing one's God given potential.
