From the Parish Exec

Blessing of the Seed, Soil and Water Service Sunday May 5th at 10:00am 20th Anniversary Service

Encouragement from our Parish Chairperson, Charlie;

Have you ever attended a Seed, Soil & Water blessing service?

Have you ever wondered where Baldon Station is?

Have you ever wondered what takes place at the service & across the afternoon?

Have you heard there's live music this year?

Have you heard about the family fun games that are organised for the afternoon?

Well! If you have ever wondered any of these, make a note in your diaries and plan to attend. You will have a great day. It's fun, its relaxed. This is a family friendly, **family inclusive day**. All activities are for adults and children. Children are encouraged to join in. My grandchildren are still talking about last year. Ask the children how much fun they had. There's the dry creek bed, rocks with gold specks, trees to climb, there's the open space to run, there's the treasure hunt, seed pods to collect, plus the organised activities. Adults, if you feel physical participation is beyond you for games, that's ok. Sit on the deck and watch the fun activities take place below you. While you are watching you can take part in the guessing games and there's plenty of time for socialising and catching up.

Come worship in the open air, under the gums with the birds joining in. You might even see a kangaroo. The odd fly might come and sit on your nose. Feel the connection of the dirt under your feet as we pray for our farming community, locally and further afield and focus on the importance of the sun, soil and rain and the wonder of creation, the growth of the seeds and plants.

If you're not sure how to get there, follow the map. Follow the signs. Follow the dust. You can't miss the Station when you get there.

Come, support and join in the fun of the 20th Anniversary and make this Blessing Service extra special. See you there!

Praise God from whom all blessings flow.....

Sunday 28th April at 2:00pm

In addition to **Amazing Grace** (see last week), we will be singing ...

Stille Nacht, Heilige Nacht (Silent Night)

These poetic words were written in 1816 by Mohr, a young Catholic priest. On Christmas Eve in 1818, Mohr requested his organist friend Gruber compose a melody and guitar accompaniment so that this song could be shared at Mass ... later that night!

Now we have one of the world's most well-known and beautiful Christmas Carols.

Local Christian Artists Exhibit In & Around Barossa Ark

This enthralling exhibition ranges from Landscapes, Still-Life's, Abstract and Biblical Surrealism - a mix of art from an eclectic group of Christian artists. This exhibition can be viewed as part of the Barossa Art Trail during the month of April on Thursday's through to Sunday's from 10:00am to 4:00pm.

Barossa Christian Life Week - Catering Support

It is that time of the year again and Barossa CLW 2024 is fast approaching! This means we are on the hunt yet again for some fabulous volunteers who would consider stepping into the kitchen to support our young people and make camp possible! Barossa CLW is a Christian camp that runs for 5 days in the July school holidays. This years camp is running from the 8th to 12th of July and is being hosted at Cornerstone College, Mount Barker.

So, what am I really asking? What a great question!

We are specifically looking for someone willing to **run our kitchen** for the week. This means overseeing the kitchen and it's activities as well as managing meal times, food prep, meal service and coordinating with our camp directors and leadership team to facilitate a smooth running of the day. While this sounds like a big task, measures have been put in place for all of the food to be purchased for you prior to camp and all of the recipes, quantities, daily schedules and plans will be provided for you. This means we purely need your assistance on camp, no prior prep work required.

However, if the kitchen lead is not your ideal role, we are also seeking helpers to be our **kitchenhands** throughout the week. Over the past few years, we have structured this as day teams, having 5-8 people come into the kitchen every day and follow the instructions of the Kitchen Leader to ensure the days jobs get completed! Jobs involved include prepping food, cooking food, serving food to the young people (the best part), cleaning, packing up and of course, fellowship with our servant hearted people in our community! You may like to assist for just 1 day, or 2 or 3. We would love to have you!

If this sounds like something you would be keen to do or you know of someone who may be perfect for this type of role, please pray about this and get in touch with myself about the potential of having you serve on Barossa CLW for 2024. I really look forward to hearing from you.

God Bless,
Anneka Wilksch
